Spring Rain

by Marchette Chute

The storm came up so very quick
It couldn't have been quicker.
I should have brought my hat along,
I should have brought my slicker.
My hair is wet, my feet are wet,
I couldn't be much wetter.
I fell into a river once
But this is even better.

Garter Snakes Are Here!

A couple of weeks ago I was in the garage when I noticed that our cat Tiger was playing with something. I went to check it out and it was a garter snake. I put the snake in a container and named it Diego. A few hours later I looked out of the window and saw Tiger with another snake! I was afraid that it was Diego, but it turned out to be a different garter snake. Matthew named this one Killer. After they both healed from the scratches from Tiger's claw we let them go. We had had them for a whole week.

It's Very Warm

The RC guys have been flying a lot more than usual because of the warm weather. No crashes...yet. We see them almost every day. Keep flying guys! *Lumkes Children*
